TASTER

Locking with Shiney – crazy popper from Vietnam, representing Warszawski Funk and Who If Not You!?. His first obsession was C-Walk – by imitating gangsters steps, young Việt has discovered that dancing is what he wants to do. Later on he tried Krump, and then Popping and Locking came across which he fell in love with. Popping has become his specialization since 2011 when he got back to his country of origin to learn it from Vietnamese dancers. Having achieved many successes at both Popping and Locking competitions, Shiney does not stop. In 2017 he started Authentic Jazz which brings him joy and makes him discover and understand more about styles that came from it – Popping and Locking.

Taster will be held in **Nowy Świat Muzyki**, ul. Nowy Świat 63 at 9.15 P.M.

You are allowed to take part in it with full passes and party tickets as well! Come and try locking!
